Dear Jerry:

Qualifying for the Million Dollar Round Table (MDRT) is a significant accomplishment. You are among the elite who have achieved what only a relatively few even dream – you are now a 25-year MDRT member.

Please accept my sincerest congratulations for what you have accomplished. You are among the best and most committed of our members. Also, please accept the continuing call to action to share your experiences with others. Explain how MDRT has impacted your life and invite others to qualify and join. Together, we are spreading MDRT's sharing and caring spirit.

It is an honor for me to represent you as MDRT President the year you achieved this distinction. Enclosed is a membership certificate, which designates you as a member of MDRT's Quarter Century Club. And, thank you for making MDRT The Premier Association of Financial Professionals®.

With warmest regards,

Stephen O. Rothschild, CLU, ChFC
2006 President
